Blanco Tequila

Also known as Plata or Silver, this is the Weber Blue Agave in its purest form. It is clear & typically not aged in wood, but rather rested in stainless steel barrels for an average of four weeks up to two months. A Joven is unrested and bottled as soon as it is distilled
AROMA green and cooked agave with herbal & pepper notes
TASTE herbal often with a citrus & peppery finish

— *Reposado Tequila* —

The first stage of "rested and aged", the tequila is aged between 2 months and 11 months in many different types of wood barrels, the most common being American whiskey. Other barrels commonly used include French oak, bourbon, cognac & wine. This tequila will inherit the unique flavors from the previous spirit.

AROMA fruity with hints of vanilla, pepper & oak
TASTE robust with of caramel, vanilla and wood

Infusions

Created from Blanco Tequila by adding fruit, peppers, or vegetables and allowing the mixture to rest for several weeks, the Tequila will infuse with whatever has been added and take on the undertones of the additive. Greengos uses El Jimador to create our house infusions. AROMA distinct scents of each infused item. TASTE subtle flavors in the after taste.
